Kathy Gabelhei

words from the WHEELHOUSE

Commodore's Report

Many thanks to all of those members who showed up for the Spring Clean-up! It was a lot of fun and I am always amazed at how much we can get done when there is a good crowd of volunteers.

The replacement of Docks "A" and "B" is finished and is a big improvement. A committee has been formed to develop a strategy to continue to upgrade the remaining docks and breakwaters. This task is looking to be quite expensive so we will need to create a plan that both deals with replacement on a priority basis (by the condition of the dock or breakwater) and one that meets our financial constraints. More information will be available for members to review at a later date this year.

As can be seen, we started the refurbishing of the main deck and by the time you read this Log most of the work should have been completed. We have specified a synthetic material that is specifically designed for marine use and has a good non-slip surface. The renovations included replacing the tempered glass railing as well with

new aluminum posts and thicker (6 mm) tempered glass.

To enhance the new deck we sold all of the old metal chairs and purchased new ones. As well, the old metal tables were powder-coated to match the colour of the new chairs, and we also erected a nautical flagpole.

The exterior of the Pendozi is also getting a fresh new painting as, following inspection, it was determined that work was required to maintain the stucco and other trim. This work should be completed by mid May.

The Mad Hatter Spring Party was a huge success! We sold out on this event very fast, so be sure to grab tickets on future events when they become available to ensure that you get a ticket.

The next event is the Commodore's Ball and SailPast (June 6th and 7th) followed by Lobster night on June 19th. I hope to see many of you out to both events.

The Anchor Club, led by Michele Pearson,

commenced serving their Thursday night dinners on May 7th. These are great times to meet new members and to re-establish connections with friends. Please help us all by volunteering to assist in these dinners so that we can maintain reasonable prices for these events.

Lastly, a committee is reviewing the security of the moorage basin and has been working to improve the lighting to better illuminate moored boats and to enhance the capability of the high definition cameras monitoring the basin. This work will continue until the executive is satisfied that all that can reasonably be done has been completed. Having said that, all members must ensure that their boats and their contents are protected as the WKYC is not responsible for stolen items.

Have a great summer and I look forward to seeing you at the Commodore's Ball or SailPast!

Vice Commodore's Report

Getting your boat ready for the summer is so much more fun than getting it ready for the winter! It's still early at the club with not many boats yet, but the spring work party was something to see. We have a club that is coming back to life. As your board "geek" I wanted to remind you that the weather station is ready for the summer, the cameras are there for you to view your boat, and we now have three WiFi transmitters in the club. One

is up top to broadcast across the basin. It has a fairly good reach. This past week I installed an alarm system in my boat. It's a reasonably priced product from the Northwest USA, and if you are interested in installing one I would be happy to help. It comes with remote key fobs, and a variety of protection methods for your cabin and outboard motor. Al James and I are working on lighting improvements to brighten the yacht basin for more security, but

your boat security is ultimately your responsibility. I retired at the end of December and this will be the first year I can spend as a "free man". Look for Julie and I in the navy blue hulled sailboat. Cheers!

Darcy Detlor
VICE COMMODORE

Staff Captain's Report

Summer is fast approaching and May has already been a great lead in. The work that has gone on at the club in the last few weeks is incredible. A big thank you to all the volunteers who have got us to this point and a bigger thank you to Brian, our Commodore has rolled up his sleeves and seems to be working on everything. The Commodore's Ball is just around the corner and there is no better way to show your support for the efforts made than to come to the Ball and the SailPast.

Plans are moving along for the Invasion and the Women's Regatta, both these events are a great volunteer opportunities. We have some signed up already but we can use a few more. Please call me, Gayle or Kathy.

To get more info and offer your help.

Pat Pope and crew have got the club off to a great start with two super events already and the promise of more and better to come. Again I am sure Pat could use a few more volunteers for

the entertainment events.

Hockey Playoffs are in full swing consider heading to the club to watch a game or two bring some friends and an appy, it can be a great evening out.

See you at the club.

John Hudson
STAFF CAPTAIN

Maintenance Report

A Big Thanks to all the Volunteers who arrived April 25 for the Spring cleanup. Thanks to Pat Pope for serving great hamburgers, chicken burgers, salads and all the fixings. Much

was accomplished. It's great to see so much interest in the club this year. Stay tuned for more to come. Deck completion, is almost finished, new flag pole is in place and A and B docks near completion.

Looking for a great summer ahead with lots of events to come.

Scott Thresher
DIRECTOR OF MAINTENANCE

Harbour Master's Report

We are getting well into boating season now, the lake is near its peak early this year. Slip assignments in the basin are essentially complete.

I will have the numbering on A and B docks soon, they have been ordered.

I've already noticed some boats don't have a their lines equipped with snubbers. When setting up your ropes for the season, can you please take a moment to push your boat around to confirm that it won't hit your neighbor or transfer shock to the cleats on the docks or your boats. The springs on the

lines should keep everything in control during inclement weather

See you on the water!

Office Manager's Report

Welcome May! Looks like more boats are coming into the moorage basin. Such a lovely sight! I would like to take this time to remind you of a few things concerning office functions. This is such a busy time for me right now and through the summer. If I don't answer the phone, I am away from my desk or with someone. Please be kind and leave a message on the machine. I will get back to you. Also, when you book tickets for any event, this is nonrefundable. If you give me

ample warning you don't need your tickets, I will make every effort to sell them off, but unfortunately, if we don't have a wait list, you will be obligated to keep them. I am going to be away from the office from May 19 to May 26. If you have any emergency, you can contact any one of our directors whose number you can find in the log. Thank you and enjoy the rest of the Spring!

Entertainment Director's Report

I am not sure where the time has gone, it seems like I just wrote about the New Members event that was a huge success and now I have to write another report. By the time this comes out we will have had the Mad Hatters/Pig roast event, which is sold out, and has a wait list for tickets. There have been several people that came together to get this event up and running so a very

special thank you to Marilyn and Gary Hogan, Scott and Carla Thresher and our Commodore and his wife Brian and Sandy Jamieson. This group has been meeting and planning with me and my wife Shirley over the past couple months and it looks like it should be a fun evening for all. With the anchor club having the regular Thursday night meals our next event is the

Commodores Ball which is scheduled for June 5, and the SailPast to be held on June 6th. Lobster night will be held on June 19th and should also be a sold out event so avoid disappointment and get your tickets as soon as they come out.

As this club is based on volunteers helping out I would like to thank everyone that has been so helpful in giving their valuable time and helping out on so many events. I am looking forward to seeing everyone either at an event or on the lake.

Pat Pope
ENTERTAINMENT DIRECTOR

Thank you...

Tom Stephens, Brian Jamieson, Pat Pope, Scott Thresher and Al James for the great job at putting up our new Flag pole!

Dock bumper strip 8ft long approximate.
 Dock corner bumper.
 Call 250-212-7288

Please be advised:
All water outside the Pendozi
is non potable.

NOTE: Please try to take your garbage to the
 Regional barrels just outside of the gate.
 It helps save on our garbage disposal!

REMINDER: No animals in the Clubhouse at any
 time. No animals on the deck when food is being
 served (Health Dept. rules). Animals are to be
 leashed at all times and please scoop the poop.
