**LOST IN THE
MOORAGE BASIN**

Please notify the office if you have lost something in the moorage basin. Things do surface and we never know who they belong to...

PARKING

Vehicles parked in WKYC parking spots without window stick will be towed.

Please come into the office or the bar and get yours.

Office Manager

I am available from 9am until 1pm Monday to Friday. If you have any questions, concerns or suggestions, please feel free to call me at 250-768-5472 or e-mail the club at wkyc@westkelownayachtclub.com
Kathy Gabelhei

words from the WHEELHOUSE

Commodore's Report

Our Commodore's Ball and SailPast were held on June 6th and 7th and both were very well attended. I thank all of you who did attend these functions. These events not only recognize the Commodore but also your Board of Directors and Past Commodores who have dedicated many hours of their time over the years to make our yacht club the success that it is. It took many volunteer hours to put such an event together and I thank all of those who helped make this a spectacular occasion this year.

The weather was great, almost too hot! For the first time that I can remember, we were able to place the bands outdoors on the deck and dance the night away!

A special thanks to John Hudson who acted as MC, and to Lisa Nielson who organized the Commodore's Ball along with Michele Pearson, Rita DeCew, Pat Pope, Scott Thresher, Gail James, and Kathy Gabelhei. A special thank you to many of the same people who made Sunday's breakfast and barbeque

a special event. Especially Scott Thresher and Pat Pope who braved the extremely hot weather standing in front of the even hotter barbeques to prepare the hamburgers and hot dogs!

It was a very humbling experience for me to have been recognized not just by our club but also by the other five yacht clubs on Okanagan Lake who sent out their Commodores to pass on their best wishes. Thanks again to all!

Our next event will be the Lobster Fest on June 19th. This event sold out very quickly as did the Mad Hatter event in May. So for those of you wishing to attend these spectacular events, please purchase your tickets as soon as they go on sale to avoid disappointment.

The outdoor renovations of Docks "A" and "B", the deck, painting of the Pendozi, and the flagpole are now complete. A few small jobs remain such as placing signage to warn members and their guests that docks and fingers may be unstable, and slip numbering

on the new docks. New lighting has also been added near the entrance to the moorage basin to improve security.

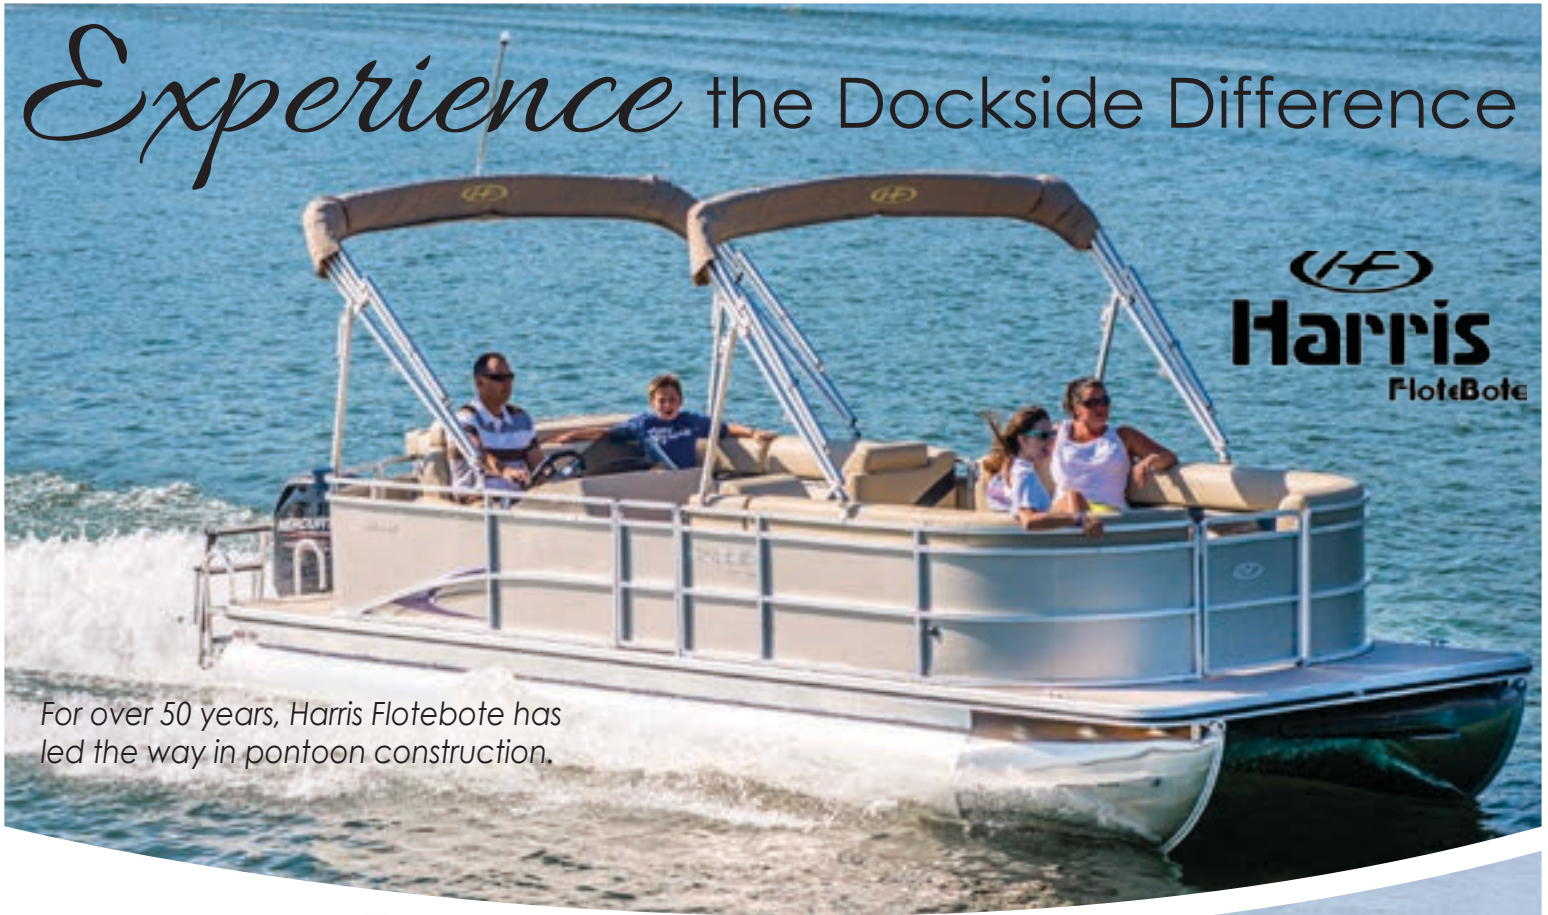

We will be scheduling a Special General Meeting on July 22nd to discuss a few issues of general concern which, if approved, will result in changes to our Constitution. One of these issues is to end the WKYC's fiscal year at the end of August so that we can, in future, have our Annual General Meeting in early October rather than in November each year. The hope is that, if approved, more members will be able to attend this very important AGM. The other issues to be discussed may include future moorage upgrades, and membership, depending upon technical information available at that time. An official notice of this Special General Meeting will be emailed to all members shortly once the agenda has been finalized.

Have a fun but safe summer on the lake!

Vice Commodore's Report

Hello again. What's with the Cotton Wood trees? Does this happen every year, and we forget? I was looking at our air conditioning units yesterday as I was admiring the completion of the new south side boat launch, and the intakes were plugged. Need to tell Scott about that...

Our new email system will have been in operation for about 2 months by

the time you read this. Because the new system has more information about how our emails are received, we can tell that only about 50% of our members are opening emails. The highest number was for the Anchor Club Call for Volunteers at 66%. It's a good sign when the biggest response is to a call for help. But I wonder if our club would be more active and vibrant if we had over 90% participation.

I will use some more technology and send out a Members Survey. Please take a few minutes and tell us how you feel. It's your club. You own it. Get the most value out of it. The past few years have been remarkable in the way the club has improved. Give us some direction and it will keep moving forward.

Darcy Detlor
VICE COMMODORE

Staff Captain's Report

As I sit to write this contribution to the Log we have just broken another temperature record. I love summer!

Daily activities at the WKYC are buzzing with planning, work parties, events and of course boating. The spirit of our club has always come from our volunteers and I would hope that each member could step up in whatever way they can manage to do their own part to keep the club the envy of the lake. Check the volunteer board, call the

office or just step up and find something that needs doing. A very big way to help out is to support the events that are planned! Always try to get your tickets for events as soon as you are able. This helps keep the organizers from becoming agonizers when it comes to planning. I would like to remind our members to enjoy the lake responsibly, take some extra time to get where you are going and again coming home. If you are patient in the harbor your day will be more relaxing. This is also a good time to remind all members that

you are a part of the WKYC security team. If you are in the moorage and see someone you don't recognize the best thing to do is introduce yourself as a member. Hopefully the person you are talking to will respond in kind you long time members be patient with the newbieswe may not be as famous as we think we are!

Have great summer and use your club!

John Hudson
STAFF CAPTAIN

Harbour Master's Report

It looks like summer has arrived! The basin is nearly full of boats and the club has something going on nearly every weekend.

I was down at the club during the windstorm a couple weeks ago and noticed a lot of boats need to be attached to their docks better. Over the

next couple weeks I will be emailing anyone that does not have springs or rubber snubbers on their lines. These are there to prevent damage to not only the dock but also your boats. I will still be making changes to slip assignments as there are a few boats that are not ideal for the slip they currently occupy.

Remember the slips belong to the club and it is my job to get as many members into the basin as possible in a size appropriate slip

There will be a sailing Regatta coming up July 3rd that will cause some disruption in the basin, we are expecting up to 20 extra boats, I may ask a few of you to move for that weekend. If you plan on not occupying your slip that weekend could you please email me to let me know.

See you at the club.

Terry Jagers
HARBOUR MASTER

Rear Commodores' Report

In May a major repair to part of G Dock was completed also ongoing repairs and maintenance to the rest of the Marina, dock repairs are conducted on an annual basis. Please ensure to tie your boat up correctly you must use adequate snubbers to protect your boat and the dock, damage to the docks caused by members not securing their boat correctly can be charged back to the member.

The Commodore's ball was a great success but I was disappointed that out of 18 Sailboats that have moorage at the club, only 5 were present to pay respect to our Commodore, this is a dismal turnout for the sailors.

If any member has an accident within the basin, hitting a dock or another members boat please contact the office

with the details.

Don't forget all the moorage buoys that are sponsored by WKYC have been inspected and are available for day or overnight moorage. They are at Jenny's Cove, Half-Way Bay and Reluctant Dragon Bay.

Please refrain from tying mooring buoys to the docks. Reference to section 13 of the moorage contract.

Have a great summer on the lake.

LOBSTER NIGHT SPECIAL
COLD BEER
\$5 COLD CASH

Lobster Night is sold out again!!!!

To quench your thirst quickly we are offering Ice cold Moosehead Beer and Coors Light for \$5 Cash. Bring your cash. This is designed to get your beer quick and easy—so no house accounts or credit cards taken at the barrel.

Entertainment Director's Report

The Commodores Ball took place on June 6th and was well attended and wonderful evening. Many of the guests from the other clubs on the lake made wonderful comments about the new deck and all the improvements of the club. On Sunday we had the Commodores breakfast and the sail past which were again very well attended and our commodore indeed did us all proud. The events closed with a dock

party after the sail past and Julie Masi provided entertainment on the deck for the afternoon. A very special thank you to Scott Thresher for helping BBQ burgers and hot dogs in the 30 plus degree heat making sure everyone was fed and enjoyed the afternoon festivities.

Our next event is the Lobster fest which has been sold out. This promises to be another great evening. With the weather that we have been blessed with

in June, so far, we should be able to put the deck to full use again.

It is always easier to have a successful event with all the great help from our many volunteers so once again, Thanks to all who help out and volunteer their valuable time, it is very much appreciated and does not go unnoticed.

Enjoy the boating season and the club and I hope to see everyone over the summer either on the lake or at an event. Don't forget Anchor club dinners are a great way to spend a Thursday evening and get together with fellow club members.

Pat Pope

Commodore's Ball

SailPast

Bar Directors' Report

We have had a busy May and early June with functions and changes to our bar set up. We have been streamlining the Point of Sale System to provide more efficient service to our members and guests. Our staff is looking forward to making your WKYC Bar experience pleasant.

We had a fantastic Commodores Ball and SailPast, which was a great time for us all to pay tribute to our Commodore and thank him for all the work he does on our behalf. It is a position that requires a lot of time and dedication. If you did not make it out to these events be sure you thank him the next time you see him.

As always Lobster Night is a sell-out and we will be ready with drink specials

and the SCREECH tradition. A Cash Beer Barrel will be set up. \$5 a beer for Moose Head and Coors Lights. Bring your cash. No credit, debit or house accounts for this one.

We are going to Change the Bar hours after the Commodores weekend. We have had several members ask why we are not open during the day on weekends, so in order to serve you better and to create more income for the club we change opening to:

Thursday and Friday nights 5pm to 10pm - and later if members are enjoying the club

Saturday 2 pm to 10 pm so we can all enjoy a beverage or two of choice on our lovely new deck.

Summer Bar Hours

Thursday 5-10pm
 Friday 5-10pm
 Saturday 2-10pm
 Sunday 1-7pm

Club Access to Washrooms is available from 7:00am to 11:00pm.

Sunday 1 pm to 7 pm - come down and enjoy the lake and your boat and a visit with our friendly bartenders while you enjoy the beautiful Okanagan and the WKYC spectacular setting. Bring your family and friends and show off our new looking club.

We are looking forward to seeing you all at the club.

Gail James & Gayle Hudson
BAR DIRECTORS

We are in need of a few more boats for this year's Boats For Hope. This event is just too much fun for the day as you can dress as a pirate and call all females wenches. This one of a kind event is an uplifting experience for children who have special needs and it's a feel good experience for the skippers .Please call Rodney or Gloria @ 250-863-8862 or 250-863-8861 for more information.

The Adventure

This one-of-a-kind event brings Variety and skippers together to create an uplifting experience for children who have special needs. The day starts in Okanagan Lake for an unforgettable pirate adventure then off to a fun-filled festival on Treasure Island.

Get Involved

Generous skippers are the foundation of this event. By donating your boat and crew you can ensure more local families have the chance to participate in this special day.

Open Seas. Open Hearts.

Office Manager's Report

Thanks to all who attended and helped putting on such a successful Commodore's Ball. It was a lot of fun. Rib'n Blues tickets will be on sale middle of July. Please if you plan on attending, get your tickets right away. We are only allowed a certain amount of people in the club for events at one time, so if you wait too long, you will miss out! Keep July 22 open

on your calendars. There will be a Special Meeting to discuss some very important issues happening at the club. An email will be going out shortly with an agenda. Hope you are all enjoying this amazing sunshine! Happy Boating to you all!

Maintenance Report

Greetings one and all. Wow! Happenings at the club this year have been outstanding. As Maintenance Director I wish to thank all volunteers for your help and support as we've had a busy spring getting projects completed for your summer boating season. We have installed potted and

hanging baskets around the club. With the current hot summer days ahead, if you see a plant in distress, please add water and give them a drink. We have watering cans located at the front and rear fan tail. The irrigation system is on and working, however, 30 plus degrees causes the plants to dry out fast. Mojito's anyone?

The bar has access to fresh mint. We have a good supply growing on our deck. Thanks to our gardener, Carla Thresher. Try one! They are great. In the works, a security fence is to be installed along the pump out docks and heavy duty springs on the pump out gate to ensure closer. Housekeeping, if your enjoying the deck and using the barbeque, please clean it after you use it. Thanks and hope to see you all out at the upcoming events.

Scott Thresher
DIRECTOR OF MAINTENANCE

All the carts have been reconditioned with nice rubber tires. If you see any problems with these tires, please let the club know.

**Please be advised:
All water outside the Pendozi
is non potable.**

 Call 250-212-7288

REMINDER: No animals in the Clubhouse at any
 time. No animals on the deck when food is being
 served (Health Dept. rules). Animals are to be
 leashed at all times and please scoop the poop.

NOTE: Please try to take your garbage to the
 Regional barrels just outside of the gate.
 It helps save on our garbage disposal!
