*Vehicles parked in WKYC parking spots without window stick will be towed.*

*Please come into the office or the bar and get yours.*

### Office Manager

I am available from 9am until 1pm Monday to Friday. If you have any questions, concerns or suggestions, please feel free to call me at 250-768-5472 or e-mail the club at [wkyc@westkelownayachtclub.com](mailto:wkyc@westkelownayachtclub.com)  
*Kathy Gabelhei*

# words from the WHEELHOUSE

## Commodore's Report

**W**e are experiencing a nice hot summer this year and I hope that all of you are able to get out onto the lake to enjoy the boating season. I cannot remember when the water has been so warm this early in the year. With the dry heat comes the risk of forest fires and smoke, but fortunately we, at this end of the lake have not yet experienced either. Let's hope our luck continues!

The Lobster Fest was a great success and many thanks to all of those who volunteered to make it so! Because the weather was so hot we were able to enjoy "Cod Gone Wild" out on the deck into the wee hours.

We had a really good turn out for the Special General Meeting held on July 22nd and the membership approved a few changes to our Constitution.

Our fiscal year has been changed and is now September 1st to August 31st commencing this year. Moving the end of the fiscal year ahead by one month will allow the WKYC to hold its Annual General Meeting in early October rather than in November. Hopefully this will allow more members to attend this very important annual event. The date for this year's AGM is October 7th, so please mark this on your calendar.

The membership also approved an increase from 25 to 35 for Social membership as well as an increase from 250 to 260 for full membership.

A somewhat controversial motion to limit membership to those whose primary residence was within 80 kilometers of the WKYC was also approved. This change relates to all membership applications received after July 22nd, 2015 and does not affect the

membership status of existing members.

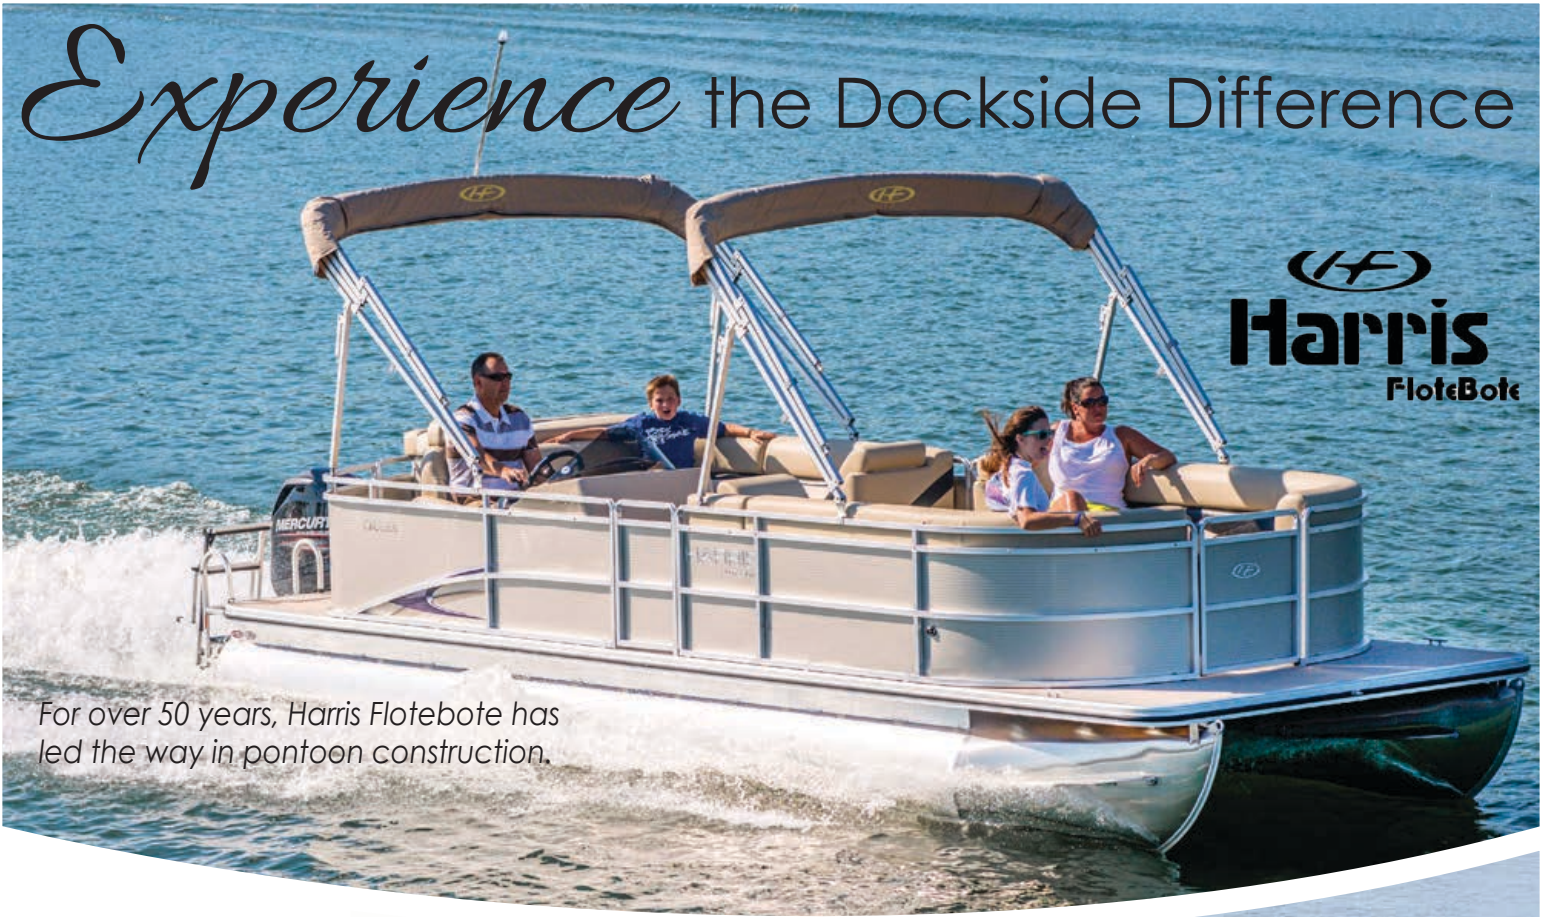

On August 8th and 9th we are having both a WKYC Invasion as well as Rib'n N Blues. This major event sold out fast, as have other events this summer, so buy your tickets early on PayPal if you plan to attend upcoming events. The next events will be the annual Golf Tournament and, we are hoping to have for the first time an Oktoberfest event. Stay tuned!

Lastly, but most important, I want to thank all of those who have stepped up to volunteer for past WKYC events. If you enjoy the Thursday night dinners and other functions and have not yet volunteered there is still time to do so and your assistance will be greatly appreciated!

## Vice Commodore's Report

**H**ello from Costa Rica! Julie and I came down to escape the crowds and the heat, but we will be back soon. The recent Special General Meeting was productive and interesting. A meeting of a volunteer based organization consisting of a diverse group originating not only from BC or Canada, but from many other countries, is as likely to erupt

as the forests surrounding our valley. If the club makes changes that have any significance, there will be disagreements. Some people react more negatively to change than others. But, it is better to have people emotionally involved in these decisions than to have everyone apathetic about the club. I mentioned at the meeting that we encourage our members to

contact the executive and officers with suggestions. Please don't hesitate to email me at [ViceCommodore@westkelownayachtclub.com](mailto:ViceCommodore@westkelownayachtclub.com).

*Darcy Detlor*  
VICE COMMODORE

## Rear Commodores' Report

### TECH TIPS - BATTERIES

Batteries – most boats have them. The two main types are starter batteries and deep cycle batteries.

**Starter Batteries:** the battery used to start the engine and should not be used for house loads (ie. Lights, fridge, radio, etc.).

**Deep Cycle batteries:** the battery best used for constant loads (house loads) and will stand deeper discharge than a starter battery.

### Battery Facts:

The flooded cell lead acid battery is the most common and cost effective.

The main difference between a starter battery and a deep cycle battery is the thickness and number of plates. The energy from a lead acid battery is produced from surface area, hence more plates in a starter battery will give larger amounts of energy for a shorter period of time.

The deep cycle battery has fewer but thicker plates so it will withstand deeper discharge but release energy at a slower rate.

Next comes the gel filled battery. The electrolyte is suspended in a gel. These batteries require less maintenance.

The last but not least is the AGM (absorbed Glass Mat). They are sealed and the electrolyte is suspended in a glass mat which supports the plates. They can operate in any position and they do not vent and are by far the most expensive, but will take a higher rate of charge.

Batteries last longer if they are kept fully charged, so it is important to use a 3 stage charger as batteries discharge even without a load.

If you have any questions about batteries please feel free to contact Alan James.

*Al James & Al Patterson*  
REAR COMMODORES

# Harbour Master's Report

What an incredible summer it has been! The weather has the valley living up to its reputation this year.

I've had to deal with quite a few of you this year with reassigning your slips and I really appreciate all the cooperation from everyone, makes it a lot easier!

There have been a few changes in the basin that have required lots of movements of slip assignments, mostly as an adjustment from the new slips.

We are going to be having the Invasion/Rib'n N Blues weekend on the 6th, that will cause disruption in the basin for sure. A and B dock will be crowded.

If you are in A or B and want to get in and out lots that weekend it might be best to get me to reassign you to an empty slip further into the club for the weekend.

We will be hosting at least 6 extra boats, all larger sizes. Again, lets show the guests why we have the reputation for being the best club on the lake.

See you at the club!

*Terry Jagers*  
HARBOUR MASTER

# Entertainment Director's Report

With the success of our last events it is becoming a must for everyone to purchase tickets to the events as soon as possible. Rib'n N Blues sold out very quickly. With the inclusion of Invasion weekend and the poker run all going on at the same time it is sure to be a

great weekend. Our next planned event will be the golf tournament at the end of August so if you plan on attending watch for the notice and be sure to get your tickets early. As we go into the end of summer and enter the fall season we are looking at having an event for Oktoberfest.

job. Also thank you to the members that participate in the events, your participation is what makes everything so successful.

I will be selling 50/50 tickets at all the major events so remember to bring some extra money along if you want to win. Our jackpots have been quite high the last few draws so thank you for your support.

Safe boating and enjoy the rest of the summer.

*Pat Pope*  
ENTERTAINMENT DIRECTOR

Please note: We have ONLY 1 disabled/handicapped parking spot. Anyone parking there is required to display a disabled parking placard.

Although I have nothing to do with the Anchor club dinners except for enjoying them I just wanted to say thank you to all the people that have volunteered and done such a wonderful

### Our Sponsors

# RULES

## *West Kelowna Yacht Club Golf Tournament - August 29, 2015*

We will use a modified best ball format on all holes. IE: Each player on a team will drive from the proper tee box (men from the white and ladies from the red markers). Select the best tee shot and go to that ball (pick up the other 3 balls). The person whose tee shot was the “best” shot, cannot hit the next shot, only the other 3 players. You now select the best of those 3 shots, and all four players can play from there. All four players continue best ball play to the green. All four

players can putt when your team gets on the green. Choose the ball closest to the pin to putt from. Mark your team score on your card after each hole. **Please keep your team moving at a comfortable speed.** Clear the green quickly at each hole and move to the next tee box before marking your card.

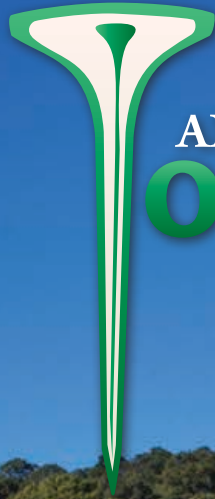

**NO personal liquor or beer is allowed on the course!!**

### Hole #

1. Paynter’s Market hole - Please do not move anything you find on the green.
2. All tee shots must be taken with an opposite side club (ie. Right handed golfers must use a left handed club for their tee shot only) and vice versa for lefties. Men and women tee off from the **RED** markers. A right handed and left handed driver will be on the tee for you to use if you like (LEAVE THEM THERE).
3. Closest drive to the white bumper.
4. All drives take from the red tees and you MUST be seated in the provided chair when you hit your ball.
5. Five Iron Only Hole - all players are to use only a five iron (no hybrids or 5 woods allowed) for the ENTIRE hole (ie drive, fairway, chips and putting).
6. Men and ladies closest to the pin on **the drive.**
7. Water Hole – when teams get on the green, **all** putts are to be taken with **one** hand only.
8. Ladies and men’s longest drives – drives must be on the fairway.
9. \$10,000 Hole in One sponsored by the WKYC. (2<sup>nd</sup> person to get a hole in one gets \$5,000).

Good Luck and Have Fun!!

# ANNUAL WKYC Golf Tournament

TWO EAGLES GOLF COURSE  
Saturday, August 29, 2015

**\$45**  
per person

INCLUDES  
**9 holes**  
Scramble Format  
& **BBQ at the club**

Starting approx. 6:30  
\* Dinner Only ~ \$15  
(immediate family only)

**First Tee Time**  
1:45pm

**LIMIT OF 60 PLAYERS**

**Call the office to get your tickets and book your tee time.**

Entry fee to be paid in full on purchase of tickets. No refunds. No fun money. No hold on tickets.

Don't miss it! There are a lot of prizes to be won for skilled and non-skilled players

You are encouraged to form your own foursome. If you are not able to, one will be assigned to you.

**DEADLINE FOR ENTRY: AUGUST 21**

If you require a cart, you must phone the course to book your own.

**Come out and have fun!**

# Bar Directors' Report

Wow – August – September Log already. It has been a hot summer already and hopefully more nice weather to come for a few months.

We have been working hard to ensure good service and a variety of products for our members and guests.

We have been trying out a variety of wines by the bottle and by the glass to see what is popular. We are also working on having draft beer taps at both stations and streamlined taps for beer and house wines. Once we have this in place we will be offering one house white, one house red and two draft beers. We will also do a feature wine by the glass for both white and red which will showcase some of our local wineries. We thank you for your comments on the wines we have been trying. Selecting house wines is always a difficult task as we all like different varieties and brands. Your constructive comments are always appreciated.

I know some of you have experienced frustrations when setting up your tab for the evening and when paying your tab, so I would like to give a brief explanation of our point of sale system and its idiosyncrasies and limitations. As you all know we are a small club with a limited budget. We were able to purchase the Chevy Sprint model not the Cadillac as the cost of the Cadillac is in excess of \$15,000, an expense we

cannot justify.

As we are using a basic system to track your house accounts and set up tabs for you upon arrival – we have two ways of accessing your account – 1. By using your phone number (which of course is sometimes difficult as we all have several phone numbers). or 2. By your last name – unfortunately these do not come up alphabetically all the time (a problem we are asking the supplier to rectify).

Once we set up your tab, we can no longer find your tab by your phone number and we must look for your name (again by sequence number not by alphabetical), so depending on the number of tabs in the system this can take a minute or two.

I know you will say small restaurants have better systems – the answer is: most small restaurants and bars have servers so they will set your tab up by Table number and can retrieve it by Table number which, of course, is much quicker. We cannot do this as we do not have servers.

We are working with our supplier to find a work around for these issues and will continue to do so.

We explain this to you, not as an excuse, but to make you all aware of why it takes time to find your tab at this time. Of course systems are more complex in

## Summer Bar Hours

Thursday . . . . . 5-10pm  
 Friday . . . . . 5-11pm  
 Saturday . . . . . 2-10pm  
 Sunday . . . . . 1-7pm

*Club Access to Washrooms is available from 7:00am to 11:00pm.*

our cashless society.

Hopefully you are all aware of our new club hours on weekends (hours are listed in the box above).

Many of our club members are enjoying our new hours and making use of our decks and of course the constant entertainment of the public boat launch – which seems to provide many hours of entertainment on a sunny day.

Thanks to all members and their guests for making WKYC the best club on the lake.

## Staff Captain's Report

Events at the club this season have been very well attended and supported...thanks to all.

We have a sell out for the Rib'n N Blues at the time I write this. Anchor club is doing very well... thanks Michelle!

I Would like to urge members to go online and read up on the zebra mussel and the potential harm it will do to our lake. Be a part of the solution.

This is a good time to mention boat safety. Please make sure before you

head out give your safety equipment the once over and make sure you are up to code....it is easier than having the Mounties tell you that you aren't.

For new members a great way to enjoy your boating summer is to attend events at the other clubs on the lake. We are always welcome and you will have fun.

Have a great season.

*John Hudson*  
STAFF CAPTAIN

## Maintenance Report

Wow ! Can you believe its August already! Hopefully you've been enjoying the Club and the best boating days we've seen in a long time.

Note. Security Fence at Pump Out Station installed and system operational. This was completed June 30th.

Note on Gates - if you find the gates are not locking properly please report to the office so repairs can be made.

Welcome Craig Yates to the Board. Craig will take on the Outdoor Maintenance portfolio effective August 2015.

*Scott Thresher*  
DIRECTOR OF MAINTENANCE

All the carts have been reconditioned with nice rubber tires. If you see any problems with these tires, please let the club know.

**REMINDER:** No animals in the Clubhouse at any  
 time. No animals on the deck when food is being  
 served (Health Dept. rules). Animals are to be  
 leashed at all times and please scoop the poop.

**NOTE:** Please try to take your garbage to the  
 Regional barrels just outside of the gate.  
 It helps save on our garbage disposal!
