words from the WHEELHOUSE

Commodore's Report

I hope that all members had a great fall and winter. Since our last Pendozi Log lots of things have happened. Of course we enjoyed the regular fall/winter club events such as the Grey Cup Party, Children's Christmas Party, Martinis and Mistletoe and a really successful New Year's Eve party. Great big thanks to Lisa Neilson for all of her work organizing these events.

However, overlying all of these fun activities was the fall out from the severe wind storm that struck the WKYC moorage basin in mid November.

Since that event the club has informed our insurance company of the damage to the basin and an engineering firm visited to document all of the damage to the basin. It was not until February that we received a copy of the report and we then issued directions to obtain two or three quotes to repair the damage.

We have now issued our claim to the

insurer and are awaiting their response. Fortunately, we have been able to initiate the repairs and a crew has been active in this regard during the past two weeks. We expect that all repairs will be completed by middle to late May, but that these repairs should not seriously impact the use of the marina by members.

Having said that, please ensure that you contact our Harbour Master Terry Jagers or Kathy at the office prior to launching your boat and occupying your assigned slip. If there is any conflict with ongoing repairs, you may be assigned another slip on a temporary basis.

I want to make mention of members who have been dedicated and thorough in helping get to this point. Immediately after the storm Alan James, Al Patterson, Terry Jagers, Pat Pope, Scott Thresher, Steven Enns and Craig Gates responded to ensure that the moorage basin was

made as safe as possible and roped off affected areas. Neal Klose of Aqua-Bility Projects Ltd. Was contacted to do any heavy work to prevent further damage as there were fingers that had broken loose and had to be secured.

Following these immediate activities both Alan and Gail James have worked very hard to follow up with the quotes received by the various contractors. I want to thank all members who have helped the WKYC get through to this point, forgive me if I have missed naming anyone.

We have some exciting events planned for the upcoming boating season so please check out the Log and mark these events on your calendars.

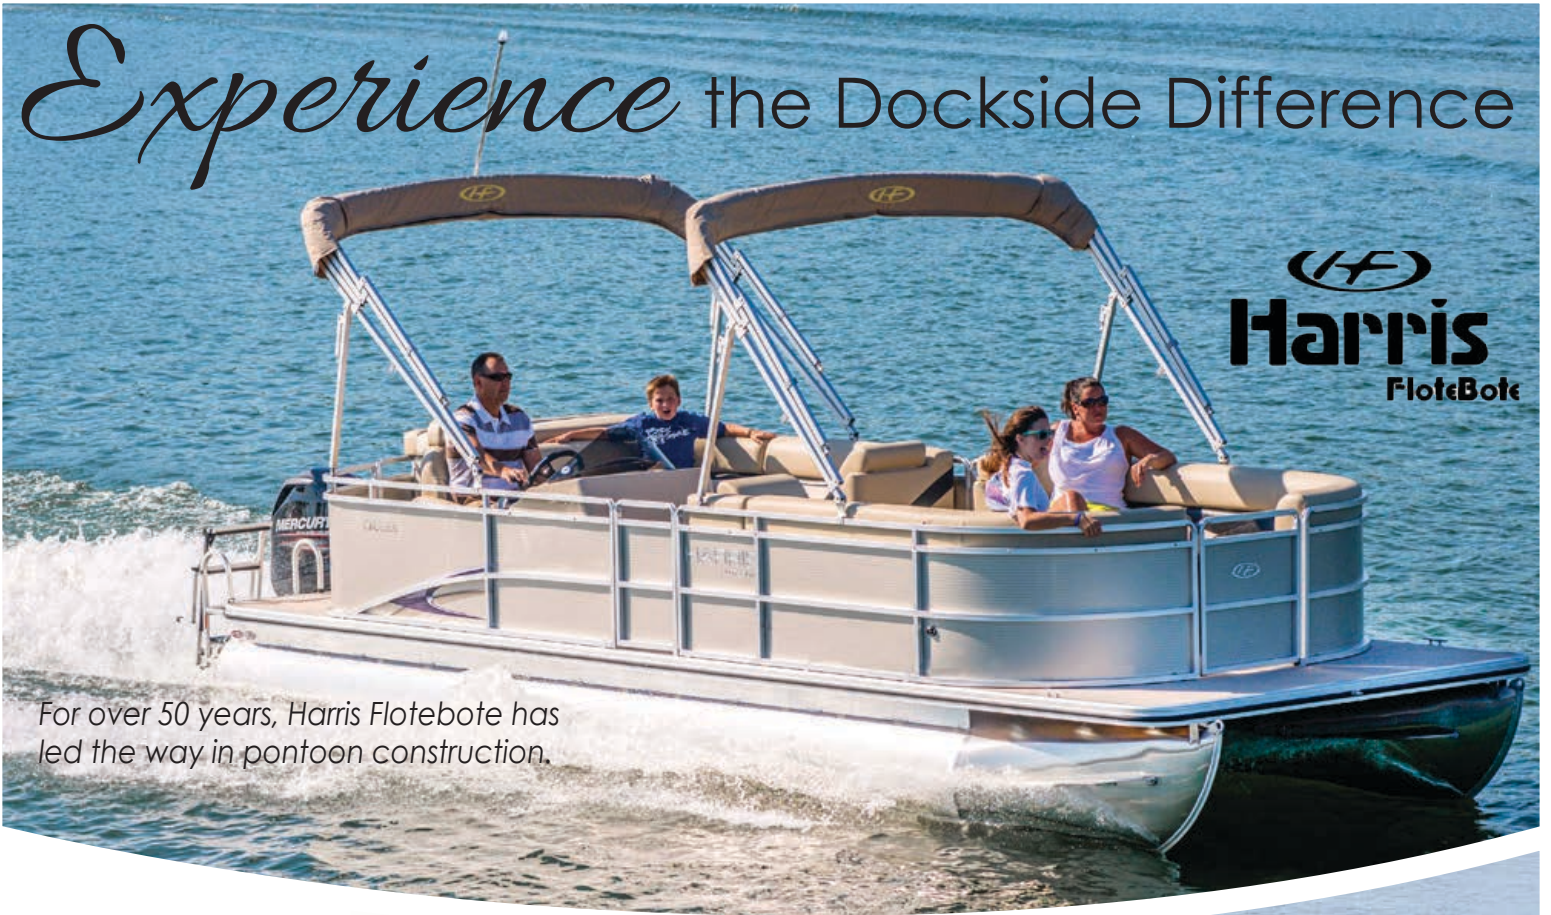

Let's hope that we have an early spring as it appears it may be.

Rear Commodore's Report

Here we are almost in spring again. With lots of events planned for this year it should be a fun and exciting time at the club again this year. Many members have inquired on the state of repairs from our storm damage. It has been a long process however with the help of some

very experienced members from our club things are progressing and moving ahead.

Thanks to Al James and Al Patterson for their expertise and time spend on making sure we get things done and hopefully all repairs completed prior

to the start of boating season.

There have been a few changes within the club as well that needed to be done. Our alarm system was not quite what we thought it was so it has been updated and the monitoring has been changed. After a few small quirks have been ironed out and changed it seems to be working quite well. Thanks to Brian Jamieson for answering the late night calls and going down to the club to make sure everything was ok.

Pat Pope

Play some St. Patrick's Bingo!!!

Drink some Green Beer!!

Try our Special Irish Cocktails!

Get your Blarney on and tell some jokes!!

Entertainment Director's Report

The hustle and bustle of the Christmas season is behind us and we are well into the New Year. Our Christmas events were extremely well attended and the new format for New Year's Eve was a resounding success with approximately 90 people dancing the night away to the amazingly diverse repertoire of songs offered by Julie Masi. It was a great event and I can confidently say that no one went away hungry! Thank you to all of you who helped out.

2016 is shaping up to be another great year with an exciting line up of events. In

January we hosted an all club meeting to nail down the schedule of major events for the year and Kathy has updated the calendar so make sure you make note of your favorites so you don't miss out. We'll be kicking the season off with our New Comer's Event in mid-April. Planning is just starting and I'm actively seeking volunteers to assist. Please drop me an email if you are interested at lisa.neilson@waterplay.com.

Pat Pope and Scott Thresher have stepped up to the plate to host Mad Hatter 2.0 in May. I missed this event last year but everyone couldn't stop

talking about how much fun they had so make sure you get your tickets early. They are already scheming about how to make it even better!

Ideas and suggestions for event themes and activities are always welcome and I promise that I won't make you organize it just because you suggested it! Let's work together to make 2016 a great year full of fun and camaraderie!

Lisa Neilson
ENTERTAINMENT DIRECTOR

Harbour Master's Report

Happy spring! Seems like it's been a long time since we were thinking about boating but it's getting to be that time.

There will be some changes in the basin this year due to the storm damage from November. B dock will likely see the most changes.

It will still take some time to figure out

these changes, if you plan to put your boat in early this year and are not sure please contact myself or the office to see if your slip is safe.

This spring there will be a greater emphasis on boat tying. The storm showed us what can happen on occasion and we need to be able to get through the worst of it. Some of the boats that were damaged were very well secured

and still broke free. Thankfully some of the others that weren't as well secured last summer were out for the winter.

There will be more information soon and hopefully everything will be back to normal before the warm weather.

See you at the club!

Terry Jagers
HARBOUR MASTER

WKYC Newcomer's Dinner

Wednesday, April 16, 2016
at 6:00pm

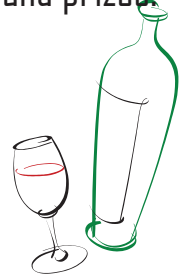

It's once again time to officially welcome the newest members of our club. Come and help us welcome all of the newcomers by joining us in an evening of dinner, games and prizes.

You are more than welcome to bring a friend.

Bar opens at 5:00pm

Stay tuned for more information.

Spring Clean up

at the West Kelowna Yacht Club

Saturday April 30th Starting at 2pm

We need volunteers to come on down to the Club and help get it looking ship shape for the new season. There will be plenty of jobs for you to tackle. We will have a list for you to choose from.

Dinner and drink for everyone who helps.
Everyone Welcome!

Bar opens at 5:00pm

Bar Director's Report

Well Spring is in the air and we look forward to a great year for our Club. The bar had some great Christmas parties in December and January which greatly improved our revenue stream.

We are looking forward to spring events like St. Patrick's Day March 19th, Newcomers Night April 16th, and the Mad Hatter Event on May 7th. Many great events for everyone to get out and enjoy – hope to see you all there.

We will celebrate St. Patrick's Day on Saturday, March 19th, watch for the poster. A great evening, a pool tournament, St. Patrick's Day Bingo,

some fun ice breakers and of course Green Beer and special Irish drinks as well as Irish Beef Stew with Guinness and Irish Soda Bread. We look forward to seeing you out for this fun evening.

We are working on streamlining the Bar Terminals so we can find your account and your bill more quickly. We will be setting this up using your Membership Number. You will note that your new 2016 membership cards now have your member number on them. By using this number we hope to make your bar experience better and your service quicker. There will be a few kinks at first but we believe this is the solution to the ongoing issue of finding house

Spring Bar Hours

Moorage Directors' Report

REPORT ON WKYC STORM DAMAGE, INSURANCE CLAIM AND REPAIR PLAN

The Insurance Company requested an engineering report on the damage done to the Marina basin. In early Dec. the engineering firm, chosen by the insurance company, came to the basin and did an in depth review of the damage and condition of the marina basin. This was the same engineering firm that did a Marina survey 8 years ago, and that report was used for planning ongoing marina basis maintenance.

The report was provided to the insurance adjustor and the insurance company in late January. Shortly thereafter the report was released to WKYC. After review of the 101 page report, pictures and separate schedules, we sent an RFQ out to 3 separate companies. The insurance company has requested multiple quotes that are in-depth and outline each schedule of storm damage as reported in the engineer's report.

We have received the final quotes and have compiled the reports for the insurance company. These reports have now been sent to the insurance adjustor for his submission to the insurance company. We await their reply.

We have had the docks inspected and ramps have been repaired and C dock has been made safe.

We firmly believe that all repairs can be done in a timely manner and that the basin will be ready for use by our members in the late spring, before most members want to put their boats in the water.

We will report as soon as the next phase is complete.

Al James & Al Patterson
MOORAGE DIRECTORS

Outdoor Maintenance Report

Aside from damage from the storm last year the the club came through the winter quite well. The big item for outdoor maintenance will be the annual "Spring

Clean Up". The date has yet to be set and a notice will be sent out to all Club members when it is. All volunteers will be welcomed we can get the Club set for the upcoming season!

GOT PHOTOS?

If you have fun or interesting photos suitable for use in or on the cover of the log, please contact Kathy at the office for information on how to get them to us.

Photos must meet a certain criteria in order to be suitable for the cover.

**Please be advised:
 All water outside the Pendozi is non potable.**

Office Manager's Report

I love this time of year when the days start to get a little bit longer and the temperatures rise to double digits. Summer is just around the corner. I have sent out the moorage invoices and contracts in the mail. Unfortunately, they did go out a bit late so I am extending the due date to March 15. When you bring in your moorage contract, please do not just sign it and leave the rest blank. When you do this, it creates a lot of work for me. I then have to pull your previous one and fill

in all the blanks. Consider this a new contract. I would really appreciate that. Moorage contracts, payment, and copies of updated insurance must be into the office before your boat goes in. If you plan on putting your boat in in the next month or two, please let Terry Jagers or the office know as there may be a bit of shuffling for a month due to the repairs in the basin.
