## COMMODORE'S REPORT

JULY 2018 ENTRY ... STEPHEN ENNS

Hi all,

Ok so June snuck up on us.

I would like to start with thanking everyone who came out to the spring cleanup. As you probably noticed we have had to take out all the cedars along the fence line by the deck. The beaver took most of them and they were sure to die. We are looking for suggestions on how to create a privacy block where they used to be. We have looked at composite fencing or concrete fencing. If anyone has a good idea we will be happy to hear it. We will most likely be calling for a volunteer work party to construct what we decide to put up to save some well needed dollars in the way of sweat equity.

Thank you as well for those who came out to the commodore's ball and sail past. For those that were not able to make it you missed a great time.

I would also like to acknowledge the volunteers that have spent many hours working in the club to make it a place where we all can come have fun and meet new people. Without our volunteers you we would have to hire people and this would increase your dues and moorage.

I also wanted to thank the people that were able to come out to the special general meeting and help with the vote on the new societies act.

With the water receding we will begin to take the sand off the docks in preparation for the fabulous summer we are going to have.

Having said that, the Anchor Club has been going for a bit now and we look forward to having members come out for the Thursday night dinners to make new friends and spend time with old ones.

To add to the festivities we also have had a huge success with the Friday night pub nights and will be looking to expand the food service into Saturday and possibly Sunday where we will have the ability to supply food from our kitchen.

Again please remember that the West Kelowna Yacht Club is a volunteer club and without volunteers we would not be able to keep the costs down where they are today. Also please ensure to thank the volunteers every time you are in the club for a function or are just in the club having a bevy.

I am very excited for the new changes and look forward to meeting every member of the club. Please when you are around the club take a moment to introduce yourself as I will do my best to do the same.

Lastly, If you are a retired or semi-retired chef or cook and would like to earn a bit extra cash please contact me as we are going to be looking to staff the kitchen for the weekend members coming in for a snack or meal.

*by Stephen Enns*

## VICE COMMODORE REPORT

JULY 2018 ENTRY ... GAIL JAMES

Greetings! June is here already and so far we are not flooded. Although the water is high we are still in the safe zone. Watch for all the debris when you are out boating.

It was a fantastic Commodore's Weekend and I would like to thank all those who participated. A great vote of thanks to all the volunteers who helped makes this event a great success. A very special thanks to Carla Kolsog (your entertainment director) for the amazing job she did in organizing this event. Without our volunteer directors and our fantastic volunteer club members these great function would not happen.

I would like to remind everyone that we do not have staff members who remove the garbage that members place in the plastic bins that are full of sand on the docks. Please take your garbage outside the gates of the marina basis and place in the bins in the parking lot; these bins are attended to by the City of West Kelowna.

As the busy boating season is upon us please car pool, wherever possible, with family and friends who are boating with you. This will help our parking situation, which is always a full at this time of year.

We appreciate all members who volunteer and cannot have these great events without them. Please volunteer for some our Thursday Night Anchor Club dinners or one of our major events, there are sign-up sheets at the club or email the office if you are able to assist.

Wishing you happy and safe boating.

## PAST COMMODORE REPORT

JULY 2018 ENTRY ... BRIAN JAMIESON

Some of you may have read that the Kelowna Rowing Club was looking for a space near the waterfront to store their sculls and associated rowing gear. Steve Enns, Alan James and I met with Leslie Manders and other directors of the Kelowna Rowing Club along with representatives from the City of West Kelowna to discuss whether or not we had a suitable location at the West Kelowna Yacht Club (WKYC).

The area between the public launch and the Pendozi was thought to be a suitable site for this purpose. After meeting on site and discussing this option further, a tentative agreement was reached.

The area selected is from the existing moorage fencing by the Pendozi kitchen, and continues along the side of the Pendozi for about 54 feet (16.5 metres) and is bordered by the public launch boardwalk and the Pendozi. This area is part of the WKYC District Lot 5472 and is presently landscaped as an irrigated lawn.

The City of West Kelowna has indicated that they would cover the cost of re-landscaping this area to remove the grass and prepare the site for scull storage and the Kelowna Rowing Club will pay for the fencing required to secure their equipment. There should not be any expense for the WKYC.

As the Kelowna Rowing Club requires a safety boat at all times when rowers are active, we will also provide an area for them to moor their 14 foot boat near the sewage pump-out within our moorage basin. They will be charged the regular moorage rate for this use of our moorage basin.

The WKYC sees this opportunity as a win/win/win where the Kelowna Rowing Club has secure storage for some of their sculls near a public launch; the City of West Kelowna has helped to support this scenario; and the WKYC benefits by improved security with respect to the electrical facilities located on that side of the Pendozi which will be enclosed within the fenced compound. There is also a possibility of members from both organizations becoming members of the other if they so desire.

We have asked that the members of the Kelowna Rowing Club park their vehicles along Gellatly and use the public washrooms provided in that area. The usual time for their members to row is early in the morning so their activities are not expected to affect the WKYC or the public's use of the boat launch.

If you wish to learn more about the Kelowna Rowing Club visit their website at:

<http://www.kelownarowing.com> .

*by Brian Jamieson*

## STAFF CAPTAIN REPORT

JULY 2018 ENTRY ... JOHN HUDSON

At the writing of this report the weather is a humid 29 degrees and the sun is shining. My hope is by the time this is published these temperatures will not have affected the lake water and the rise will have slowed. Lets pray we will have avoided the troubles we encountered last year.

I know the members have been working daily to make the club flood ready...

I'm sure their efforts will be enough!

I have had a request from the Kelowna Yacht club to help find boats for the annual Boat

for Hope day on June 23rd , if you haven't volunteered for this in the past ,treat yourself to a great day on the water....it's for the Kids. This is the link to sign up <http://www.variety.bc.ca/get-involved/volunteer/>

Have a safe summer on the lake.

See you at the Club!

*by John Hudson*

## ENTERTAINMENT REPORT

JULY 2018 ENTRY ... CARLA KOLSKOG

Hello Everyone! We are a couple of months into 2018 and I have to say that we have had great success with the Pub Nights. Some of the main events that have come and gone, volunteer wise have been fantastic.

We still have more events planned for the remainder of the year so don't forget to come out and enjoy yourself, you never know what fun things go on at the Club unless you participate.

*by Carla Kolskog*

## BAR DIRECTOR REPORT

JULY 2018 ENTRY ... BRIAN ALEXANDER

It has been a few fast paced few months since becoming a West Kelowna Yacht club member then putting my hand up to become the Bar Director two weeks later. I have been involved in the hospitality business for over 30 years and look forward to offering my experience and implementing some new ideas to benefit both the club and members.

As some of you may have noticed, the bar prices have been reduced and, will continue to be to further benefit the members. A 2-tiered price system is being put into place: 1. WKYC members pricing and 2. Private party pricing. The club is ours to enjoy and I am trying to give everyone another reason to enjoy their club.

I am a strong believer in dealing locally so we are gradually changing to some of the products we offer at the bar. The biggest change was the draft beer which is now being supplied by Kind Brewery from West Kelowna. Along with the lowered pricing, the volume/sales have increased by 250%, and we will be adding new Belgium Wit summer draft beer which will be available by July 1. Another recent addition is Truck 59 Cidery from West Kelowna currently offering two ciders and crafted by one of our own members.

After four years of service, Bev has decided to start enjoying her full retirement! We wish her all the best and thank you for her four years of hard work and always being there when needed. To replace Bev I have hired Brad Flinders, Brad has many years of bartending experience with a special talent which we will see as time goes along. An interesting note is that Brad's grandmother was a club bartender back in the early 80's.

Thank you for the positive feedback to date, I am always open to new ideas and member requests, so don't be shy, this your is club!

Cheers.

### GOT PHOTOS?

If you have fun or interesting photos suitable for use in or on the cover of the log, please contact Kathy at the office for information on how to get them to us.

### LOST ITEMS

Please notify the office if you have lost something in the moorage basin. Things surface all the time and we never know who they belong to.

### REMINDER

No animals in the Clubhouse at any time. No animals on the deck when food is being served (Health Dept. rules). Animals are to be leashed at all times and please scoop up.

## BAR HOURS

Thursday ..... 5-9pm  
Friday ..... 5-9pm  
Saturday ..... 5-9pm

Club access to washrooms is available between 7am and 9pm

### NOTE

Please try to take your garbage to the Regional barrels just outside of the gate. It helps save on our garbage disposal!

### ATTENTION

Please remember to have your membership card available when attending other clubs. Don't forget to sign in, including at our club!

### PARKING

Please ensure your vehicle has the WKYC window sticker clearly visible on your windshield when parking in the WKYC parking stalls.

*If you need one please ask the bar or office.*

We only have one disabled parking stall, so be sure to display a placard if parking there.

### REMINDER TO MEMBERS

A reminder to all members using **power** on the docks to check that they have the correct cord end for the outlet. Boats normally come with a 30 amp cord end and since most of our outlets on G, H and B are 20 amp, they require an adaptor.

Please contact **Al James** with any questions.

Come on down to the club and spend your fun money. There are plenty of events where you can use your fun money, so have some fun and use it! Remember, if you don't use it, you lose it.

**PLEASE BE ADVISED**  
All water outside the Pendozi is non-potable

### SURF THE PENDOZI!

Remember you can move up and down from the Table of Content to any article and back with the click of your mouse. Just click the article in the Table and to return click the return arrow at the end of the article.

Not working? Try this:

Click the Pendozi to open >>> In the top right corner click "Open with a different Viewer" >>> Click drop down arrow >>> Click "Other" >>> Click "Internet Explorer" (or try the other options)
